

TDD-WPO-TV860H

86" Waterproof Outdoor TVs

Overview

The **TDD** Outdoor Waterproof TV is designed for outdoor entertainment, delivering clear and vivid images even in bright sunlight. With high brightness up to 2000 nits, an anti-glare screen, and a weather resistant design, it ensures reliable performance in various outdoor conditions. Built to withstand temperature extremes, the TV is suitable for patios, gardens, balconies, and other outdoor spaces. Supporting standard HDMI connectivity and multiple screen sizes, the **TDD** Outdoor Waterproof TV combines durability, performance, and modern design for an enhanced outdoor viewing experience.

Features

- **High Brightness:** the QLED screen and brightness up to 2000 nits make it suitable for outdoor and direct sunlight use.
- **Durable Design:** Features IP55 waterproof & dustproof weather resistance, ensuring reliable outdoor performance.
- **Smart Control & Audio:** Support external sound bars with built-in 20W speakers and IP56-rated remote control.
