

TDD-A-SM-FSB-M

Mobile Floor Stands

Overview

TDD offers a variety of have a wide range of quality accessories compatible with our touch screens, touch monitors, touch panel PCs and interactive flat panels products, including Stands & Mounts, Peripherals, Computer Modules, Wall Mounts Brackets, Floor Stands and Table Stands etc. We offer wide range of VESA mounting devices, which are used for tablets, monitors, touch monitors, POS terminals, as well as the all-in-one touch displays and panel PCs. The wall mounts provide the possibility of integrating the product in a wall or simply hang on a wall, taking ventilation into account. Our floor stands are customizable and available in three colors with powder-coated sturdy & durable whole aluminum & steel construction. Expanding them with MSR card readers, scanners and poster holders allow the stand to run as kiosks and display stands.
